**#0.00 All hearings on this calendar will be conducted remotely,
using ZoomGov video and audio**

Parties in interest and members of the public may connect to the video and audio feeds, free of charge, using the connection information provided below.

Individuals may participate by ZoomGov video and audio using a personal computer (equipped with camera, microphone and speaker), or a handheld mobile device (such as an iPhone and/or Android phone). Alternatively, you may participate by ZoomGov via audio only by using a telephone (standard telephone charges may apply). Neither a Zoom nor a ZoomGov account is necessary to participate and no pre-registration is required. The audio portion of each hearing will be recorded electronically by the Court and constitutes its official record.

Judge Klein seeks to maintain a courtroom environment in which all persons are treated with dignity and respect. To that end, individuals appearing before the Court are invited to identify their preferred pronouns (e.g., he, she, they, etc.) and their preferred honorific (e.g., Mr., Miss, Ms., Mrs., Mx, M, etc.). If hearings are in person, individuals may do so by advising the Courtroom Deputy or Judge prior to any appearance. If hearings are remote, individuals can provide this information in the person's screen name in ZoomGov.

Tips for a Successful ZoomGov Court Experience

- 1) Test the video and audio capabilities of your computer or mobile device before the hearing (i.e., at least one day in advance).
 - a. You can do this by clicking on the ZoomGov meeting link posted for the hearing and/or check your video and audio using the ZoomGov app.
2. If you intend to speak during the hearing, please find a quiet place from which to participate.
3. If you are connecting to a hearing using a wireless device, make sure to have a strong wireless signal.
4. Until your matter is called, please turn off your video and mute your audio to minimize distractions and background noise.
 - a. If you are connecting to ZoomGov by video, you can turn your video on/off by clicking on the video camera on the lower left side of the screen and mute/unmute your audio by clicking on

the microphone on the lower left side of your screen.

- b. If you are connecting to ZoomGov by telephone, you can mute or unmute your connection by pressing *6 on your phone.

5. If you are participating via video:

- a. Please change your Zoom screen name to include your calendar number, your first initial and last name, and your client's name in parentheses (e.g., 1, R. Jones (ABC Corp.)). You can change your Zoom screen name by moving the cursor over the upper right corner of your video tile, clicking on ". . ." and then clicking on "rename."

- 1. If you are appearing on more than one matter, after your first matter is finished, please change your screen name to reflect the next matter on which you will appear.

- b. Please wear attire consistent with the decorum of court proceedings.
- c. If you choose to use a virtual background, please avoid backgrounds that are offensive or distracting.
- d. Try to avoid having a window or bright background behind you. Otherwise, you may appear on video as a shadow. If you cannot avoid a bright background, a desk lamp or other light source might help to brighten your face.

6. When you first speak—and each time you speak after someone else has spoken—please say your name. This is essential to make a good court record. The only part of the hearing being recorded is the audio. If a transcript is requested, it is sometimes difficult for the transcriber to know who is speaking.
7. If available, a headset-microphone often provides better sound quality for listening and speaking.
8. Participants and members of the public should remember that although conducted remotely, ZoomGov hearings are official court proceedings, and individuals should act accordingly.
